Who We Are ?

Uniglobe Markets was founded by group of traders and financial professionals having Significant experience in the Forex, CFD and Equity markets in Asia, Europe and North America. This has enabled us to select the best solutions to accomplish our main goal- to make available transparent Forex trading to clients from all walks of life, easy accessibility and security.

Our Mission

Uniglobe Markets mission is to create the best and most transparent trading environment for retail and institutional clients alike allowing traders to focus more on their trading. We are dedicated to provide all our clients a reliable and affordable service of the highest quality with a personal and confidential approach regardless of experience or the size of the investment.

Trading Instruments

Uniglobe Markets gives you access to the forex market 24 hours a day, 5 days a week, allowing you to trade over 50 currency pairs, precious Metals , Energies and all major world Indices.

Forex

Online Forex Trading. Trade on Fx majors, crosses and exotic currencies. Robust Mobile and Desktop MT4/MT5 Platforms.

Indices

Trade CFDs on Indices, US Index markets, UK, European and Asian Indices.

Commodities

Invest online in Gold, Silver, Copper, Crude Oil, Brent Oil, Natural Gas and other Metals and Energies.

Spot Metals

Start trading gold, silver or any otherprecious metals online.

Shares

Trade the big big names such as Google, Amazon and the most influential companies listed on NYSE, NASDAQ, LSE and other European Stock exchanges.

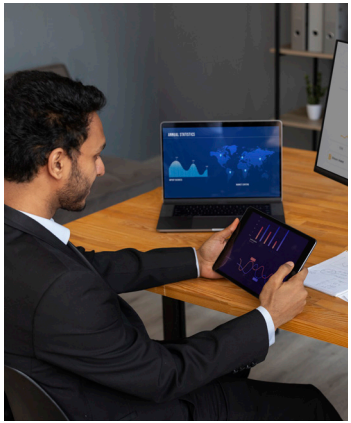
Crypto

Buy, sell, and trade cryptocurrencies like Bitcoin, Ethereum, Ripple, and Litecoin with a low spread. on MT4 & MT5 trading platforms.

Copy Trading

Copy-trading gives you the advantage of copying the trade of a master trader, known as a strategy manager. Where the position of your chosen trader automatically gets copied in real-time, you will get indistinguishable results as per your master trader.

- It is quick and easy to start copy trading.
- It's totally safe and secure to copy trades.
- Direct access to available master traders in your client area.



Master Trader

If you have ample experience and proven strategies, you can boost your earnings by allowing others to follow your trading strategies.
