

## 20% Tradable Bonus

---

### Terms & Conditions

The 20% Bonus Offer is provided by Uniglobe Markets to eligible clients who fund their live trading accounts. By participating in this promotion, the client acknowledges, understands, and agrees to abide by all the Terms & Conditions stated herein, as well as the general Uniglobe Markets Trading Policies, Client Agreement, and Risk Disclosure Statement.

This document outlines the complete eligibility criteria, bonus mechanics, operational rules, restrictions, risk warnings, and compliance guidelines that govern this promotional offer.

### 1. Eligibility & Bonus Activation

#### 1.1 Minimum Deposit Requirement

- To qualify for the 20% Bonus, clients must deposit a minimum of USD 100 into their trading account.

#### 1.2 Agreement to Terms

- By participating in this promotion or opening a trading account, the client confirms that they fully understand and agree to the following:
  - The 20% Bonus Terms & Conditions
  - The Uniglobe Markets Client Agreement
  - The Risk Disclosure Statement

#### 1.3 Bonus Validity

- The 20% Credit Bonus is valid for 60 days from the date of being credited to the trading account.
- If multiple bonuses are issued, each bonus retains its own individual 60-day validity.
- Any unused or remaining bonus amount after the validity period will be automatically removed without prior notice.

#### 1.4 Maximum Bonus Amount

- A client may receive a maximum cumulative bonus of USD 2,000, irrespective of the number of trading accounts they hold.

#### 1.5 Bonus Request Procedure

- Clients must request the bonus within 5 business days of making their deposit.
- Requests must be emailed to [backoffice@uniglobemarkets.com](mailto:backoffice@uniglobemarkets.com) and must include:
  - Full Name
  - Trading Account Number
  - Deposit Amount
- Important: If a client begins trading before the bonus request is reviewed and approved, they will not be eligible to receive the bonus.

## 2. Account Conditions & Restrictions

### 2.1 One Account Per Client

- The bonus can be applied to only one active trading account per client.
- Clients participating in any other promotional offer, rebate, or bonus program are not eligible for this promotion.

### 2.2 Leverage Limitation

- The maximum leverage permissible under this promotion is 1:300.
- Uniglobe Markets reserves the right to modify or reduce leverage at any time without prior notice, in accordance with risk or regulatory requirements.

### 2.3 Internal Transfers

- Internal transfers are strictly prohibited while the bonus is active.
- Any internal transfer request will result in automatic cancellation of the bonus and associated benefits.

### 2.4 Bonus Removal on Withdrawal

- Any withdrawal from a bonus-enabled account will trigger full or proportional removal of the bonus.
- Proportional Reduction Example:
  - Deposit: USD 1,000
  - Bonus: USD 200
  - Equity after trading: USD 1,700
  - Withdrawal: USD 500 (50% of initial funded amount)
  - 50% of Bonus (USD 100) will be removed

## 3. Bonus Trading Rules

### 3.1 Tradable Bonus

- The bonus is a tradable credit, meaning it increases your usable margin and enhances your trading capacity.
- The bonus is not withdrawable but may support generating withdrawable profits.

### 3.2 Profit Withdrawal Requirements

- Profits earned from trading using the bonus can be withdrawn at any time, provided all general trading terms are met.

### 3.3 Example of Bonus Utilization

- Bonus-enabled accounts operate with a 60% stop-out level on MT5.
- When the stop-out is triggered, the system will automatically close open positions starting with the most unprofitable trade.

## 4. Abuse, Misuse & Bonus Manipulation Prohibition

Uniglobe Markets implements strict controls to prevent misuse, manipulation, or exploitation of the bonus program.

#### 4.1 Prohibited Activities Include (but are not limited to):

##### A. Risk-Free Strategies

- Trading patterns designed to extract bonus value without actual market exposure or risk.

##### B. Hedging Manipulation

- Opening opposite or correlated positions:
  - Across multiple personal accounts
  - In coordination with other individuals
  - Across different brokers
- Engaging in mirror trading or artificial hedging to avoid risk.

##### C. Coordinated Abuse

- Collaborating with IBs, partners, affiliates, MAM/PAMM managers, or other traders to artificially generate volume or manipulate bonus usage.

#### 4.2 Consequences of Abuse

- If abuse is detected or suspected, Uniglobe Markets reserves full authority to:
  - Reject, remove, or cancel the bonus
  - Remove all profits generated from bonus-related activity
  - Suspend or permanently terminate trading services
  - Block or close trading accounts
  - Return only genuine, non-bonus funds

#### 4.3 Liability Disclaimer

- If bonus removal occurs while positions are open, Uniglobe Markets is not responsible for any losses, stop-outs, or financial consequences resulting from the removal.

#### 5. Risk Warning

Clients must acknowledge and understand that:

- Trading leveraged instruments carries substantial risk
- Losses may exceed the initial deposit.
- Bonuses do not reduce trading risk or ensure profitability.
- High market volatility may result in significant losses, including losses beyond the qualifying deposit.

#### 6. Company Rights & Legal Provisions

##### 6.1 Modification Rights

- Uniglobe Markets reserves the right to amend, modify, suspend, or terminate the following at any time without prior notice:
  - The bonus offers
  - Bonus eligibility rules
  - Trading conditions
  - Leverage
  - Bonus limits

## 6.2 Final Interpretation

- All decisions made by Uniglobe Markets regarding bonus eligibility, calculations, or investigations of abuse are final, binding, and non-negotiable.

## 6.3 Language Clause

- In the event of inconsistency between versions of this document in different languages, the English version shall prevail.
