Terms & Conditions

- Any individual of legal age (18 years or above) is eligible to join this offer. Subscribers or introducers are not required to be existing clients, traders, or introducing brokers with Uniglobe Markets.
- To qualify for the Referral Bonus (RFB), both the referrer and the referred client must have a verified live trading account with Uniglobe Markets.
- This offer is applicable only on the initial deposit made by the referred client, regardless of the number of additional accounts they may hold.
- The commission structure offers 10% of the referred client's initial net deposit. Once the referred client opens an account and completes their first deposit, the introducer will receive 10% of the net deposited amount.
- The maximum commission per referral is capped at USD 3,000. If 10% of the referral's net deposit exceeds USD 3,000 (or equivalent in other currencies), the introducer will receive USD 3,000 only.
- Commissions are calculated and credited instantly once the referred client funds their account.
- Referral amount withdrawal conditions:
 - a. If a referred client deposits \$100, a 10% referral bonus (\$10) will be credited. The RFB amount becomes eligible for withdrawal after 1 lot of trading is completed by the referred client. The \$10 can be used for trading immediately, and any profit generated can be withdrawn at any time.
 - b. If a client deposits \$1,000, a \$100 referral bonus will be credited. To withdraw the full bonus amount, 10 lots must be traded by the referred client. Partial withdrawals are allowed based on trading volume. For example, after 5 lots are completed by the referred client, 50% of the referral bonus becomes eligible for withdrawal. The \$100 can be used for trading immediately, and any profit generated can be withdrawn at any time.
- If the client withdraws their initial deposit, the referral bonus will be reduced or cancelled proportionally based on the withdrawal amount.
